

PRESS RELEASE – December 18, 2018

KIRILA FIRE IS AWARDED LARGEST SERVICE CONTRACT IN HISTORY OF INDUSTRY

Kirila Fire Training Facilities, Inc., along with its joint venture partner, was recently awarded a 5-year contract to service over 120 fire trainers for the United States Navy and Marine Corps at locations around the world.

“The scope and duration of this contract is unmatched in the firefighter training industry, and we are honored to work with the Government on such a prestigious and important effort.”, said Jerry Kirila, President of Kirila Fire, “We have continually worked to differentiate ourselves from our competitors and are pleased to see that our past performance was critical in our being selected as the best value by the Navy.”

Kirila Fire's Fleet of Mobile Workshop Rigs (MWR)

Kirila Fire operates a fleet of specially configured service vehicles to maintain fire fighter trainers. Kirila Fire's experienced team of technicians is experienced in working on all makes and models of trainers.

Kirila Fire Training Facilities, Inc. is headquartered in Brookfield, Ohio and has a proven record of supplying functional systems that meet the specific requirements of each end user. Furthermore, Kirila Fire has been involved in the design, construction, manufacture, refurbishment, and service of fire training systems since 1997, with over 100 years combined experience in the fire training industry.
